Dear Ms Watts

It's just to give some feedback for the energy review. I & so many others would like to be allowed to take part in peer to peer electricity trading using the Power Ledger platform. This would further encourage renewables investment & cleaner future.

I just read this article of what is possible, if regulation changes are allowed:

<https://www.afr.com/real-estate/commercial/vicinity-connects-solar-to-blockchain-in-energy-pilot-20180924-h15siy>

Thank you for your time.
Kind regards
Rajan Dalsania
